ALLOW 2 WEEKS FOR PROCESSING OF CEUs

The Recycling eSeries

This 11-session online course focuses on recycling materials found in municipal solid waste (MSW) generated from residential, commercial and institutional sources. For special pricing and to register, visit www.swana.org/erecycling.

Composting eSeries

This 8 session online course is designed to give participants a complete understanding of composting from planning through design and operation of modern compost facilities. For special pricing and to register visit www.swana.org

The MOLO eSeries

This 18-session online course is designed for a variety of individuals seeking in-depth information on best practices and industry standards in landfill management and operations. For special pricing and to register, visit www.swana.org/emolo.

IMPORTANT - PLEASE READ

Many states/provinces recognize SWANA as an approved training and continuing education provider. Attendance at SWANA national or chapter training does not guarantee credits will be accepted by your state/provincial certifying board. Your state/province may grant credits differently than the SWANA CEUs distributed for the event. ***It is important to consult your state/provincial certification board for details and any required approval prior to training. You are responsible for 30 hours of continuing education during your three-year certification.***
